On the Shores

*If we can begin to comprehend Alberta's long history,
we might see the landscape with new eyes.
Then, and only then, might we find our place
in this uncommonly beautiful part of the world.*

The Man and The School

*We shall have to realize that education is not a massing of facts,
but a kindling of proper interests, strengthening of power to find out for oneself,
together with zeal for accuracy and good finish in everything attempted.*
