

Alberta Invasive Plants COUNCIL

Alberta's ecosystems are under threat

Learn to **recognize** them
& take action
before they get out of hand

www.invasiveplants.ab.ca

For a wealth of control tips, photos and current events

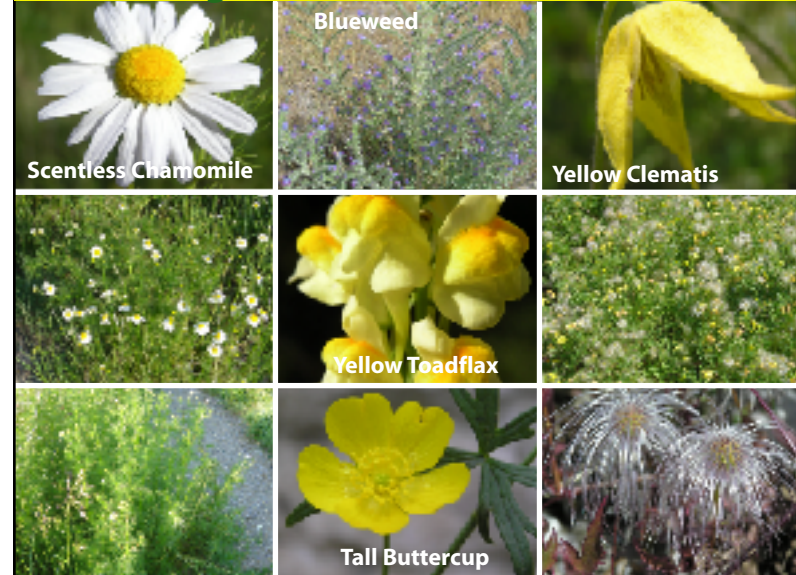

Funding provided by the
 Federal Invasive Alien Species Partnership Program

Often mistaken for wildflowers, these non-native plants are spreading through our ecosystems at an alarming rate, damaging farms and wildlands alike.

Recognize Them & Take Action!

The Alberta Invasive Plant Council promotes:

- Early detection
- Rapid response
- Prevention
- Management
- Education
- Awareness
